Legacy Relawich Highlights

The Pittsburgh Promise Legacy group is preparing to relaunch as a top resource and support community for all past, current, and future Pittsburgh Promise awardees. Promise Legacy is committed to build our community by the re-envisioned mission to provide mentoring and professional development opportunities, enhance and promote diversity and inclusion among Legacy participants, ensure the longevity of the Promise Scholarship, create engaging and fun program opportunities for the Legacy group, and connect Promise alumni with other alumni and prominent figures of the region. Promise Legacy is excited to announce the start of the relaunch rollout with this periodical newsletter, a social/networking celebration event on Saturday, March 26th, and many more events to come. Mark your calendars and be on the lookout for more details on upcoming activities in our next newsletter and correspondences!

Board Member Remarks

BY TALEESHA JOHNSON PERRY, C/O 2009

We are so excited to relaunch the Promise Legacy Alumni Group this year. COVID-19 gave us a run for our money, but that won't stop us! We hope you will join us in 2022 as we make connections to our roots by working with the Pittsburgh Public Schools to support its students and alumni!

PROMISE ALUMNI SPOTLIGHT

The Pittsburgh Promise alumni are doing great things in the Pittsburgh area and beyond. In each newsletter, we will highlight at least one Promise alum so that we can share how The Pittsburgh Promise has inspired amazing students to become even better leaders in their communities, and in their personal and professional lives.

In this newsletter, you will learn about Roderick Ramsey (Allderdice, c/o 2008), Pittsburgh native and Promise alum! If you would like to be featured in a future newsletter, please reach out to us.

Relaynch Celebration

HI, I'M RODERICK RAMSEY!

Hi, I'm Roderick Ramsey—graphic artist and owner of Ocular Arcade, a digital production studio that specializes in design, print, and web development. The goal at Ocular Arcade is to help small businesses and entrepreneurs establish an identity and digital presence.

At Ocular Arcade, we work with our clients to capture their imagination, manifest their vision, and question the outcome to identify areas of opportunity.

Ocular Arcade will provide many of the printed materials for the Promise Legacy's Relaunch celebration in March.

Born and raised in Pittsburgh PA, I was introduced to graphic arts in highschool at Taylor Allderdice where I graduated from in 2008.

After high school, I went on to attend Saint Vincent College where I received a B.A. in Communication with a minor in Marketing in 2012. While attending college I had an opportunity to strengthen my foundation in graphic arts by furthering my studies in elective classes. In 2016 I graduated from Point Park with a master's degree in business management.

With a desire to create coupled with my academic background and drive to be self employed I decided to monetize my passion.

In 2020, I launched Ocular Arcade and haven't looked back since.
