

The Pittsburgh Promise

Executive Scholars

of F.N.B. Corporation

THE EXECUTIVE SCHOLARS PROGRAM BUILDS A PIPELINE BETWEEN HIGH-PERFORMING STUDENTS AND OUR MAJOR CORPORATE DONORS.

The program provides students with the chance to connect with the prestigious company with which they are matched and pursue professional development opportunities and relationships during their college years. High school seniors with a strong academic performance, a commitment to community service, and leadership skills are encouraged to apply.

The Executive Scholars Program is one of the ways that The Promise can help students transition not only from high school to college, but also from college to a career. We are very proud of our 2022 Executive Scholar Class. Congratulations!
