

Scholarship Release Form- Pittsburgh Promise Dual Enrollment Program

Scholarship Funds Advance Release

I authorize The Pittsburgh Promise to provide early access to Promise Scholarship funds that **may** await me upon graduation. **I understand that funds used while in high school will be deducted from my maximum Promise Scholarship, if I am eligible upon graduation.** I understand that the funding of dual enrollment courses while in high school does not imply or guarantee college scholarship eligibility when I graduate.

Enrolling in a course offered does not imply that credits will be accepted by my desired institution after graduation. Once I enroll in a course, I am not able to exchange courses during that semester. I can drop a course; however, I **may** incur a reduced Promise Award upon graduation, if I am eligible upon graduation. Failing or withdrawing from a course after the add/drop period can result in a permanent mark on my transcript and could adversely impact funding for state and federal aid during my freshman year in college.

Family Educational Rights and Privacy Act (FERPA) Release

I authorize the College/University where I enroll to release to The Pittsburgh Promise my admission and enrollment information (student ID#, GPA, credit or clock hours attempted and earned, and academic standing) and cost of attendance information (tuition, fees, books, and indirect costs).
